Preface

Mission and Overview

Organization

Chapter 1

Sample Group

1.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

1.2 Research Activities

Text for research activities.

1.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 1.1.

1.4 Schedule and Future Plan

Text for schedule and future plan.

1.5 Publications

Journal Articles

[1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Figure 1.1: Caption for a sample figure

Conference Papers

[2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

[3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

[4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

[5] *Released Software Name*.

Part I

Research Division

Chapter 2

System Software Research Team

2.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

2.2 Research Activities

Text for research activities.

2.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 2.1.

2.4 Schedule and Future Plan

Text for schedule and future plan.

2.5 Publications

Journal Articles

[1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Figure 2.1: Caption for a sample figure

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 3

Programming Environment Research Team

3.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

3.2 Research Activities

Text for research activities.

3.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 3.1.

3.4 Schedule and Future Plan

Text for schedule and future plan.

Figure 3.1: Caption for a sample figure

3.5 Publications

Journal Articles

- [1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 4

Processor Research Team

4.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

4.2 Research Activities

Text for research activities.

4.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 4.1.

4.4 Schedule and Future Plan

Text for schedule and future plan.

4.5 Publications

Journal Articles

[1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Figure 4.1: Caption for a sample figure

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 5

Large-Scale Parallel Numerical Computing Technology Research Team

5.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

5.2 Research Activities

Text for research activities.

5.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 5.1.

5.4 Schedule and Future Plan

Text for schedule and future plan.

Figure 5.1: Caption for a sample figure

5.5 Publications

Journal Articles

- [1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 6

HPC Usability Research Team

6.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

6.2 Research Activities

Text for research activities.

6.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 6.1.

6.4 Schedule and Future Plan

Text for schedule and future plan.

6.5 Publications

Journal Articles

[1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Figure 6.1: Caption for a sample figure

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 7

Field Theory Research Team

7.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

7.2 Research Activities

Text for research activities.

7.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 7.1.

7.4 Schedule and Future Plan

Text for schedule and future plan.

7.5 Publications

Journal Articles

[1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Figure 7.1: Caption for a sample figure

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 8

Discrete-Event Simulation Research Team

8.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

8.2 Research Activities

Text for research activities.

8.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 8.1.

8.4 Schedule and Future Plan

Text for schedule and future plan.

Figure 8.1: Caption for a sample figure

8.5 Publications

Journal Articles

- [1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 9

Computational Molecular Science Research Team

9.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

9.2 Research Activities

Text for research activities.

9.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 9.1.

9.4 Schedule and Future Plan

Text for schedule and future plan.

Figure 9.1: Caption for a sample figure

9.5 Publications

Journal Articles

- [1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 10

Computational Materials Science Research Team

10.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

10.2 Research Activities

Text for research activities.

10.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 10.1.

10.4 Schedule and Future Plan

Text for schedule and future plan.

Figure 10.1: Caption for a sample figure

10.5 Publications

Journal Articles

- [1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 11

Computational Biophysics Research Team

11.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

11.2 Research Activities

Text for research activities.

11.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 11.1.

11.4 Schedule and Future Plan

Text for schedule and future plan.

Figure 11.1: Caption for a sample figure

11.5 Publications

Journal Articles

- [1] Ichiro Kobe. “Test Title”. In: *Test journal* (2014).

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 12

Particle Simulator Research Team

12.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

12.2 Research Activities

Text for research activities.

12.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 12.1.

12.4 Schedule and Future Plan

Text for schedule and future plan.

12.5 Publications

Journal Articles

Conference Papers

- [2] Riken Aics. “Test Title”. In: *Test booktitle*. 2014.

Invited Talks

- [3] Jiro Kobe. *Invited Talk Title*. Some Conference. 2015.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 13

Computational Climate Science Research Team

13.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

13.2 Research Activities

Text for research activities.

13.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 13.1.

13.4 Schedule and Future Plan

Text for schedule and future plan.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 14

Complex Phenomena Unified Simulation Research Team

14.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

14.2 Research Activities

Text for research activities.

14.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 14.1.

14.4 Schedule and Future Plan

Text for schedule and future plan.

- [5] *Released Software Name*.

Chapter 15

HPC Programming Framework Research Team

15.1 Team Members

Naoya Maruyama (Team Leader)

Motohiko Matsuda (Research Scientist)

Shinichiro Takizawa (Research Scientist)

Mohamed Wahib (Postdoctoral Researcher)

Koji Ueno (Student Trainee)

An Huynh (Student Trainee)

Satoshi Matsuoka (Senior Visiting Scientist)

Tomoko Nakashima (Assistant)

Aya Motohashi (Assistant)

15.2 Research Activities

Text for research activities.

15.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3]. Figure 15.1.

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 16

Advanced Visualization Research Team

16.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

16.2 Research Activities

Text for research activities.

16.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 16.1.

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 17

Data Assimilation Research Team

17.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

17.2 Research Activities

Text for research activities.

17.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 17.1.

17.4 Schedule and Future Plan

Text for schedule and future plan.

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 18

Computational Chemistry Research Unit

18.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

18.2 Research Activities

Text for research activities.

18.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 18.1.

18.4 Schedule and Future Plan

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 19

Computational Disaster Mitigation and Reduction Research Unit

19.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

19.2 Research Activities

Text for research activities.

19.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 19.1.

19.4 Schedule and Future Plan

Posters and Presentations

- [4] Jiro Kobe and Ichiro Kobe. *Poster Title*. 2014.

Patents and Deliverables

- [5] *Released Software Name*.

Chapter 20

Computational Structural Biology Research Unit

20.1 Members

Ichiro Kobe (Team Leader)

Jiro Kobe (Senior Scientist)

Saburo Kobe (Research Scientist)

20.2 Research Activities

Text for research activities.

20.3 Research Results and Achievements

Text for research Results and achievements. Journal-artcile [1]. Conference-paper [2]. Invited-talk [3].

For cross referencing, use `\locallabel` and `\localref` to avoid conflicting names defined by other groups. For example, a figure can be referenced as Figure 20.1.
